

ORDINANCE NO. 230

An Ordinance Establishing the Office of City Engineer,
Combining the ~~Same~~ with the Office of Superintendent
of Streets, and Fixing his Duties and Compensation.

The City Council. of the City of Lodi does ordain as follows:

1. There is hereby established the office of City Engineer of and for the City of Lodi, California, who shall also be ex-officio Superintendent of Streets,
2. The duties of the City Engineer shall be to do all surveying and engineering work for the city, prepare plans and specifications for public works and improvements, give engineering services and advice to the City and its officers and employees, and to perform such other service of an engineering nature as may be required of him by the Council. He shall also perform all the duties appertaining to the office of Superintendent of Streets as may be prescribed by law or by ordinance.
3. The City Engineer shall be appointed by the Council annually at the first regular meeting of the Council in January of each year and shall serve for a term of one year thereafter or until his successor is appointed and qualified,
4. The salary of the City Engineer shall be One and one-half (\$1.50) Dollars per hour for all his time devoted to the duties of his office, in addition to which he shall receive five cents per mile for each mile traveled by automobile and his necessary expenses in performing his official duties,
5. Within five days after his appointment, each city Engineer shall take and subscribe an oath of office in the usual form and shall execute and file with the City Clerk a bond, approved by the Mayor, in the penal sum of \$500.00 conditioned that he will well and truly perform the duties of his office.

6. This ordinance shall be published once in the Lodi News-Sentinel and shall be in force thirty days ~~from~~ and after its final publication, passage and adoption.

Approved this 18th day of January, 1937.

Mayor.
